

The Most Dangerous Game

I want you to identify the elements of literature in "The Most Dangerous Game" as well as the different types of conflicts that are evident.

On one side you will identify:

Character vs. Character	/10 Points
Character vs. Nature	/10 Points
Character vs. Self	/10 Points
Character vs. Society	/10 Points

For each you will write an explanation as well as draw a depiction of these conflicts. *Must be colored.*

On the other side, you will identify:

Protagonist	/10 Points
Antagonist	/10 Points
Setting	/10 Points
Exposition	/10 Points

Rising Action—*As there are many events that happen in the rising action. I want you to only choose one to depict in your drawing but in your explanation include the different events.*

	/10 Points
--	------------

Climax	/10 Points
Falling Action	/10 Points
Resolution	/10 Points

For each you will write a brief explanation as well as draw a depiction of the different elements. *Must be colored.*

Total Points	/120 Points
--------------	-------------

Character vs. Character
